WALL	FLOOR	INDOOR	EXTERIOR FREEZE/THAW	STEAM SHOWER	WET AREA
Yes	No	Yes	Yes	Yes	Yes
POOL	BACKSPLASH	FIREPLACE SURROUND			
No	Yes - Heat not to exceed 1472°F	Yes - Heat not to exceed 1472°F			

Due to the inherent characteristics of glass, there may be variations in color, movement, and texture from lot to lot. For detailed installation guidelines, visit [akdo.com](#).

DISCLAIMER: The performance of surface covering products often depends on installation, environmental, and usage factors unique to each project. AKDO is not responsible for any effects that may be caused to products due to installation, wear from use, or exposure to environmental factors including but not limited to: hard water, chemicals, heat, flame, smoke, dirt or other substances. It is your responsibility to assess the project to determine if the product you are selecting is appropriate considering the unique characteristics of your installation, and to apply appropriate, high quality sealers when necessary. Please consult your installer for more information.

ALLISON EDEN

Allison Eden first founded her studio specializing in glass mosaics in 1995. Eden creates designs for a wide range of applications, from residences to retail, hotels to hospitals, as well as casinos and cruise ships – each design being hand cut using nippers and pencil cutters. Allison’s work is known for its palpable energy, exploding with color and creativity.
