DISCLAIMER: The performance of surface covering products often depends on installation, environmental, and usage factors unique to each project. AKDO is not responsible for any effects that may be caused to products due to installation, wear from use, or exposure to environmental factors including but not limited to: hard water, chemicals, heat, flame, smoke, dirt or other substances. It is your responsibility to assess the project to determine if the product you are selecting is appropriate considering the unique characteristics of your installation, and to apply appropriate, high quality sealers when necessary. Please consult your installer for more information.

JILL ROSENWALD

Jill first sold her pottery on the streets of New York City before gaining popularity with the creation of her first ceramics line for the internationally-recognized retailer Neiman Marcus. Now her custom made pottery collections, known for their lavish color and patterns, can be found in stores from coast to coast. This hand crafted collection was inspired by the salt air and energy of the Boston Harbor, just blocks from her buzzin' studio.
