

AKDO™

LUSTER

*Sumptuous. Lush. Undulating.
Bring the beach home.*

Far Beyond the Surface

About LUSTER

AKDO's latest ceramic line, Luster, captures the subtle iridescence found inside shells. The pearlescent finish glistens on the tile's softly undulating surface, creating a rich texture. A soft color palette of white, gray and blue further invoke the peaceful feeling of the ocean, making it perfect for creating exquisite yet understated designs.
